

Frontiers in Green Chemistry: Challenges in the Anthropocene

Travel Scholarship Application

The Green Chemistry Initiative (GCI), in cooperation with our sponsors, is pleased to call for applications for this year's competition of the GCI symposium travel scholarship.

The purpose of these awards is to allow undergraduate students, graduate students, and post-doctoral fellows the chance to attend the 7th annual event by the GCI – the 2019 Symposium titled “**Frontiers in Green Chemistry: Challenges in the Anthropocene.**” The maximum value of each award is \$250 CAD to contribute towards travel and accommodation expenses. A maximum of six travel scholarships will be awarded. No financial contribution from the supervisor is required.

DEADLINE

Applications must be received by **Friday, April 26th, 2019, 11:59pm EDT** via e-mail to green.chemistry@utoronto.ca with the subject “Travel Scholarship Application.”

ELIGIBILITY & REQUIREMENTS

Eligible applicants must be an undergraduate student, graduate student, or post-doctoral fellow.

All applications must include the following items:

1. A 250-word proposal written by the applicant which outlines the reasons for attendance in terms of the applicant's own professional development.
2. The CV of the applicant, including all publications and presentations (making the applicant's role in each one clear).
3. Estimated Expense Form (see below).

NOTIFICATION OF SCHOLARSHIP DECISION

Scholarship recipients will be decided by the Symposium Organizing Committee. Applicants will be notified whether or not their application was successful **via email by Tuesday, April 30th, 2019, 12:00 pm EDT.**

REGISTRATION FEE

Each travel scholarship applicant will receive a coupon code with their email notification of scholarship decision, which will give all travel scholarship applicants access to the early-bird registration fee of \$60 CAD. The final deadline for all registrations remains **May 3rd, 2019.**

REIMBURSEMENT

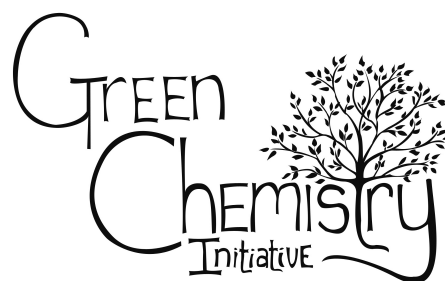

For successful recipients of a travel scholarship, reimbursement of eligible expenses up to \$250 CAD will occur once all expense receipts are submitted by email to green.chemistry@utoronto.ca.

All questions may be sent directly to green.chemistry@utoronto.ca.
